Rue Gilbert Tivollier - 38500 COUBLEVIE

A photograph of a modern, multi-story residential building. The building features a ground floor with a stone or brick facade and upper floors with light-colored walls and large windows. Balconies on the upper floors are enclosed with light-colored wooden railings. The building is surrounded by landscaping, including a large tree on the right and a paved area in the foreground where a few people are walking. The sky is clear and blue.
