

A schematic map of a city block. The block is divided into several rectangular lots. A central lot is shaded red. To the right of the red lot is a large, irregularly shaped lot. To the left of the red lot is a large rectangular lot. Above the red lot is a small rectangular lot. Below the red lot is a small rectangular lot. A compass rose is located to the right of the map, indicating North (N), South (S), East (E), and West (O).
